**FUNNY ACTIVITIES FOR
5-7 YEARS OLD**

UNTIL WE FIND HER,
WILL YOU HELP ME TO DRAW
THE RAINBOW WITH
THE COLOURS SEEN IN
THE COLOUR ROOM?

**NEEDS: SPINNING TOP,
DOUBLE-SIDED TAPE**

Cut the shape you see on the side. With the double-sided tape, stick the shape up to the spinning top. Rotate the spinning top! Maybe it reminds you something seen in the museum?
This is Alice's favorite game!
